

Wildcat Mountain

A chance to get away from the ordinary.

Red Ridge Ranch goes to Wild Cat Mountain! You bring yourself, a tent or camper and we'll provide the horses, food and campfires. This exciting weekend will pack in as much riding as you can handle at beautiful Wildcat Mountain located in Ontario, WI. The 3,603 acre, mostly wooded, park has breathtaking views and fifteen miles of trail exclusively for horseback riding. The campground has picnic tables, fire rings, drinking water, vault toilets, a corral, and hitching posts. The cost for the weekend is \$600.00 per person and includes everything. Non-riders (food only) are \$50.00 per person. If you have any other questions feel free to call Cindy at 608-847-2273. Since we are hauling a limited # of horses, space is very limited! Call or send in your non-refundable payment today!

Reservation Form - one per person
